SENATE RESOLUTION

REQUESTING THE CHIEF INFORMATION OFFICER TO CONVENE A WORKING
GROUP TO ASSESS EXISTING PROCEDURES OF NOTIFICATION
FOLLOWING THE BREACH OF PERSONAL INFORMATION.

1 WHEREAS, individual personal information is increasingly
2 stored online or in electronic format; and
3

4 WHEREAS, chapter 487N, Hawaii Revised Statutes, sets out
5 procedures for state and county government agencies to report to
6 the Legislature certain information after discovery of a
7 security breach; and
8

9 WHEREAS, the information required to be reported includes
10 information relating to the nature of the breach, the number of
11 individuals affected by the breach, a copy of the notice of
12 security breach that was issued, the number of individuals to
13 whom the notice was sent, whether the notice was delayed due to
14 law enforcement considerations, and any procedures that have
15 been implemented to prevent the breach from reoccurring; and
16

17 WHEREAS, chapter 487N, Hawaii Revised Statutes, also
18 establishes the Information Privacy and Security Council, which
19 is tasked with reviewing annual reports on personal information
20 systems from government agencies and noting findings,
21 significant trends, and recommendations to protect personal
22 information used by government agencies; and
23

24 WHEREAS, despite statutory requirements for notice to be
25 provided and ongoing efforts by the Information Privacy and
26 Security Council to make recommendations to protect personal
27 information used by government agencies, this body finds that
28 further improvements to the notification process are necessary;
29 now, therefore,
30

31 BE IT RESOLVED by the Senate of the Twenty-eighth
32 Legislature of the State of Hawaii, Regular Session of 2015,
33 that the Chief Information Officer is requested to convene a
34 working group to assess the means by which state and county

1 agencies generally notify individuals following a breach of
2 personal information; and

3
4 BE IT FURTHER RESOLVED that the purpose of the working
5 group is to research and report to the Legislature:

- 6
7 (1) Notification procedures currently followed when
8 contacting and notifying an individual about the
9 breach of personal information, particularly when the
10 personal information is stored or accessible online;
11
12 (2) Software or other electronic programs generally used
13 that foster improvement of personal information
14 protection; and
15
16 (3) Recommendations of amended or new methods to more
17 securely and promptly provide notification; and
18

19 BE IT FURTHER RESOLVED that the working group include the
20 following members:

- 21
22 (1) The Chief Information Officer of the Office of
23 Information Management and Technology, who shall serve
24 as the chairperson for the working group;
25
26 (2) One representative from the Department of Public
27 Safety;
28
29 (3) One representative from the Information Technology
30 Services Office of the University of Hawaii; and
31
32 (4) Two individuals with a demonstrated record of
33 knowledge and experience in data or personal
34 information protection to be selected by the Chief
35 Information Officer; and
36

37 BE IT FURTHER RESOLVED that the Chief Information Officer
38 is requested to submit a report of findings and recommendations,
39 including any proposed legislation, to the Legislature no later
40 than twenty days prior to the convening of the Regular Session
41 of 2016; and
42

S.R. NO. 41

BE IT FURTHER RESOLVED that the working group be dissolved on June 30, 2016; and

BE IT FURTHER RESOLVED that certified copies of this Resolution be transmitted to the Chief Information Officer of the Office of Information Management and Technology and Director of Public Safety.
